---

On the evening of March 29, join us for the Catholic Charities Atlanta Soirée- an evening celebrating over 76 years of service to our community.

We will return to one of our favorite venues, the Georgia Aquarium, where we will dine and dance under the seascape of the ocean.

Celebrate with us at the CCA Soirée a glamorous evening where over 500 individuals come together to raise awareness and funds for the life changing services that Catholic Charities provides to those in need. Catholic Charities ensures that vulnerable individuals can attain economic self-sufficiency through programs designed to develop critical life skills, provide education and access to employment, address their well-being and ensure families have long term basic food security and safety.
