Are you a veteran experiencing financial hardship?

**Do you need...**

- Financial assistance (rent, mortgage, utilities)
- Mental health counseling
- Support navigating VA benefits and public benefits
- Support navigating access to higher education, employment, and training opportunities

Through the Veteran’s Case Management program, Catholic Charities Atlanta improves outcomes for veterans, such as housing and financial stability.

**What is the opportunity?**

- Veterans and their spouses enrolling into the Veteran's Case Management program will have a chance to receive access to case management services and emergency financial assistance.
- Since we do not have enough resources to help all eligible veterans, we are using a lottery to give all applicants a fair chance.
- Upon registering, applicants will be entered into a random drawing to either A) receive up to $700 of assistance and case management service, or B) be provided with a list of other potential sources of financial assistance.

**Location:**
Catholic Charities Atlanta
3669 North Peachtree Rd
Suite 300
Chamblee, GA 30341
